SUMMARY

Self-taught Frontend Developer with shipped React + Tailwind projects. Builds responsive, pixel-perfect UIs and clean semantic code. Prospective [B.Sc](#) Computer Science student at ESUT. Also creates technical content for 1000+ developers on TikTok.

TECHNICAL SKILLS

Languages: JavaScript ES6+, HTML5, CSS3

Frameworks: React.js, Tailwind CSS, Bootstrap, Framer Motion

Tools: Git, GitHub, VS Code, npm, Vite

Concepts: Responsive Design, Component Architecture, DOM, Technical Writing

EXPERIENCE

Frontend Developer | Self-Directed | Mar 2026 – Present

- Shipped OfficeHub E-Commerce app with React.js + Tailwind. Built product grid, cart state, and mobile-first responsive UI
- Built and deployed personal Portfolio with React, Tailwind, Framer Motion. Used brand system and reusable components
- Managed version control and deployment via Git/GitHub

Technical Communicator | TikTok @tiastech__ | May 2026 – Present

- Break down JavaScript, CSS, React concepts in short-form video for 1000+ audience
- Script and produce content teaching self-taught software engineering workflows

PROJECTS

Portfolio Website | github.com/MARYCYNTHIA-NWANOKWARA/my-portfolio

- Responsive portfolio built with React + Tailwind + Framer Motion
- Component architecture, contact form, brand-consistent UI

OfficeHub E-Commerce | github.com/MARYCYNTHIA-NWANOKWARA/OfficeHub

- Scalable storefront with Vanilla JavaScript and Tailwind CSS
- Pixel-perfect layouts for mobile, tablet, desktop

Happy Birthday Site | github.com/MARYCYNTHIA-NWANOKWARA/Happy-Birthday-Site

- Interactive site with HTML, CSS, JS. Focused on animations and semantics

EDUCATION

B.Sc Computer Science Candidate | ESUT, Agbani | Aspirant: 2026

SSCE | Our Lady Of Grace School | Graduated: 2025
